## VIP - Service

From the VIP parking lot, our VIP guests can access the VIP area via a separate access area, where we look after around 200 guests. From a culinary point of view, we offer a first-class and varied buffet all day long from the renowned event service PUNTI. This includes a breakfast buffet, a varied multi-course lunch, an afternoon snack and a multi-course dinner. We also serve all drinks, from non-alcoholic fruit juices, fine wines to sparkling wine, with personal support at the VIP tables by the Schmidt-Gentner event agency. We are happy to reserve a table in a prominent location that can accommodate 6 people.

A bar from the sparkling wine manufacturer "Stable Bubbles" offers VIP guests the opportunity to enjoy an exclusive beer, wine, or sparkling wine tasting from the Hirter, Beck, and Stable Bubbles brands.

There are 3 categories depending on the position of the VIP table, all for 6 people with 2 VIP parking spaces from Thursday to Sunday

Category 1: VIP table in a central location	EUR 5.000.-
Category 2: VIP table in front of the stands	EUR 4.000.-
Category 3: VIP table in front of the bar and buffet	EUR 3.000.-

Shortly after the end of the competition, a disco opens every evening and provides good entertainment with a varied program.

We are looking forward to organizing an unforgettable jumping and dressage tournament with our partners and being able to pamper our guests in the VIP area.
